## *Committed to the Community*

The Augustine Band of Cahuilla Indians is committed to improving the communities around us and to enhancing the lives of the people in those communities.

## Deadlines

To assist us in our efforts to evaluate each request fairly and completely, we ask that you submit applications for donations **A MINIMUM OF WEEKS** ahead of the time the donation is needed. **We do not do rush processing**, and have a timeline that is adhered to when considering any donation requests. If your organization has a timeline they need to operate by, please plan accordingly on your organizations behalf.

**\*\*\*Please note that the review process for donation applications can take up to a MINIMUM of 5 weeks for a response. Please be patient with the process. IF A MINIMUM OF 5 WEEKS HAVE PASSED and you have not received an e-mail or letter please contact the Tribal Administration Offices for a status. Donations that are not approved will receive a letter via regular mail or e-mail letting them know that their application has been denied approximately 5 - 7 weeks after it has been submitted.\*\*\***

**Also please note that we receive numerous requests for funding each month and we try to provide financial assistance to a variety of organizations which enrich our local communities, however we cannot fund every request, and donations ARE NOT guaranteed to be granted once an application has been submitted.**
